

Cloudbusters Minutes for Dec. 18, 2010

Call to order: Pres. Fred Thompson, presiding Wish to thank all the members that showed up for the meeting, and for all the participation to make the donuts, cookie and coffee happen.

Vice-Presidents report: Vice President Russell Crawford welcomes the new member Amy Cribbs to the club.

Treasurers Report: Bob Waldow, our balance is still positive, several people have paid up for next year, that will be reflected next month. Treasurers Report motion and second to accept, passed unanimously.

Secretaries Report: Minutes from last meeting are posted. I have notified AMA of the Officer changes after this meeting. Keystone Airpark Lease renewal is due by end of Jan. Motion to accept minutes from last month. Passed.

Safety Officer Report: I have enjoyed serving as Safety Officer for the past several years and glad to say we have no issues to report. Wish the best to the new Safety Officer in the year ahead.

Old Business Completed: All of the new Club Officers for this next year have been elected and the changing of the guard will take place after Dec. 31, 2010.

New Business: The D.O.T. is again talking to the Keystone Airpark Authority about the 1500 feet of pavement for their test strips. So we need someone to attend the KAA meetings to follow up on how this will affect us both positive and negative.

Motion by President elect Bryan Stephens to place new wording in the By-Laws to reflect that Previous members cannot come back out and fly as a guest of any current member. The guest flying privileges are for new "prospective" members to sample the field before joining. Motion was seconded and passed unanimously.

Motion to adjourn and second.
Roger L. Mullins Sec.
